

200,000 POUNDS WOOL IN POOL

State Board of the Union
Holds Meeting.

SALES COMMITTEE APPOINTED

To Receive Bids Until May
20—Better Prices Ex-
pected On Pool.

At a call meeting of the State Board of Directors of the Kentucky Wool Growers' Union, District No. 2, American Society of Equity, held last week at the Willard Hotel in Louisville, a committee was appointed to receive bids until May 20 from prospective buyers of the 1910 wool pool as a whole or by counties. The pool of the organization represents about 200,000 pounds of wool in Kentucky, which is double the amount pooled last year. By pooling the production the growers hope to receive a better price for the wool. At present the average price for the better grades is about the same as last year—from 26 to 28 cents per pound. A dealer present stated that the members of the Union hope to receive an average of 31 to 32 cents per pound as a result of the pool.

At the conference the following counties were represented: Pendleton, Kenton, Campbell, Bracken, Hardin, Ohio, Butler, Muhlenberg, McLean, Davises, Henderson, Webster and Crittenden. The American Society of Equity includes all of the counties of the State with a membership of about 22,000.

Ben Watson, of Dixon, president of the Union, was unable to come to Louisville and in his stead Samuel Rosentel, of Falmouth, who is vice president, presided. A sales committee was appointed as follows:

Louis Hancock, chairman, Providence; A. I. McKinney, McKinneysburg, and Silas Stevens, secretary of the Union, of Beaver Dam. The committee was given power to solicit bids from buyers, and the members of the board in each county are requested to solicit bids from local buyers. They will report to the sales committee not later than May 20. The sales committee will meet at 9 a. m. on that date at the Willard Hotel to consider all bids.

The following were present at the wool growers' meeting:

Samuel C. Rosentel, Falmouth; Silas Stevens, Beaver Dam; J. F. Doss, Greenville; W. E. Bibb, Sacramento; Frank Parfont, Cecilian; H. W. Ray, Stithton; A. I. McKinney, McKinneysburg; R. E. I. Ray, Vine Grove; Lewis Hancock, Providence; Wm. Kinsler, Henderson; Price Beard, Owensboro; V. C. Hocker, Beaver Dam, and M. F. Sharp, Narrows.

It's a common error
To plaster the aching back,
To rub with liniments rheumatic

Doan's Kidney Pills cure all kidney

Here is convincing proof:
Mrs. Eva Hobbs, North Seminary

have no hesitation in recommending
Doan's Kidney Pills, as they are, with-
out doubt, the best kidney medicine
on the market. When they cured me
of kidney trouble in the summer of
1903, I allowed my experience to be
published in our local papers so that
other persons who were suffering
as I did, might know how to get
relief. I was afflicted for years with
acute pains through my kidneys and
loins and often I had to give up and
lie down. The kidney secretions were
also unnatural. I tried remedy after
remedy, rubbing my back with
liniments and wore plasters, but re-
ceived little or no relief. Doan's Kid-
ney Pills effected a permanent cure
and it required the contents of only
two boxes to bring about this result."

A Queer Combination—The Singer, The Song, and The Place.

Far up the river which watered a
strip of the Arizona desert we passed
a lonely Mohave sunshelter, be-
neath which lay a half-naked young

Indian was singing:

"Jingle, bells! jingle, bells! jingle all

Oh, what fun it is to ride in a one-

As I looked from the merciful sun
to the singing buck, I thought that
this surely was the most bizarre thing
that I had seen in the Southwest.

HUGE PARADE TO WELCOME TEDDY

About 30,000 Men Expect-
ed in Line.

TO REACH NEW YORK JUNE 18

A Number of Cities Over the
Country Will Send
Delegations.

New York, May 14.—It is expected
that between 25,000 and 30,000 men will
march in the land parade arranged
as a part of the welcoming celebration
to Col. Roosevelt on June 18. The
secretary of the Mayor's Reception
Committee has received applications
from various societies and from civ-
ic, military and political organiza-
tions of marshaling a total which re-
aches nearly 40,000. But he regards 30,000
as a conservative estimate.

One of the most recent applications
is from Los Angeles, which will send
a party of from twenty-five to fifty
representative citizens across the con-
tinent to welcome the returning
ex-President.

The Spanish War Veterans have
asked permission to erect an "arch
of welcome" over Fifth avenue in the
neighborhood of Twenty-third street
and the committee now has the re-
quest under consideration.

In a statement given out to-day,
Capt. Cosby, secretary of the Reception
Committee, says that as every
effort will be made to keep the affair
from being too stiff and formal, Col.
Roosevelt will make but one address
—that in response to Mayor Gaynor's
welcome. At the request of Col.
Roosevelt, no dinner has been planned.
The ex-President will probably go to
Oyster Bay on the evening of his ar-
rival.

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's
Swamp-Root, the great kidney, liver and
bladder remedy, because of its remark-
able health restoring properties. Swamp-
Root fulfills almost every wish in over-
coming rheumatism, pain in the back, kid-
neys, liver, bladder
and every part of the
urinary passage. It
corrects inability to
hold water and scalding pain in passing it,
or bad effects following use of liquor, wine
or beer, and overcomes that unpleasant
necessity of being compelled to go often
through the day, and to get up many
times during the night.

Swamp-Root is not recommended for
everything but if you have kidney, liver
or bladder trouble, it will be found just
the remedy you need. It has been thor-
oughly tested in private practice, and has
proved so successful that a special ar-
rangement has been made by which all
readers of this paper, who have not al-
ready tried it, may have a sample bottle
sent free by mail, also a book telling
more about Swamp-Root, and how to
find out if you have kidney
or bladder trouble.

When writing mention

offer in this paper and

PLANS UNDER WAY

For Construction of a State Ma-
sonic Hospital—Commit-
tees Appointed.

At a meeting in the Masonic Tem-
ple in Louisville recently, a perma-
nent organization was formed to
plan for the building of a Masonic
State Hospital.

According to the present arrange-
ments, the hospital will be built in
Louisville and subscriptions for its
construction will be taken up among
the various Masonic lodges in the
State.

Officers of the permanent organiza-
tion were elected as follows: Presi-
dent, the Rev. Dr. E. L. Powell; first
vice president, Alfred Struck; second
vice president, Judge John C. Stroth-
er; secretary, Charles P. Frick; treas-
urer, J. T. Funk. In the absence of
Dr. Powell, Alfred Struck presided
subsequent in the formation of the
permanent organization.

It was voted to have members of
the executive committee, the rules
committee, the finance committee and
the building committee appointed by
the president. Dr. Powell will an-
nounce the committee at a later date.

The committee which was appointed
about a month ago to ascertain the
sentiment of various lodges through-
out the State relative to the building
of a hospital was reappointed. This
committee is composed of Judge R. F.
Peak, Edward Meglemry, A. P. Gans,
Charles P. Frick, Charles H. Boden,
Lawrence S. Leopold and Dr. W. D.
Ferry.

The meeting was well attended
and those present were enthusiastically
in favor of the project for the con-
struction of a hospital.

BABY BOY BORN

On Fast Train, Shortly After Its
Father Passed Away on
Adjacent Cot.

Memphis, Tenn., May 14.—John
Mitchell, formerly of Marmaduke, Ark.,
died early this morning on a fast Cot-
ton Belt train just a short time be-
fore a baby boy was born to his
wife on a cot at the side of his
stilled body.

Mitchell had been in New Mexico on
account of poor health. Recuperation
seemed impossible, so, with his young
wife, he started for home.

The sick man was put aboard the
Cotton Belt on a stretcher at Dallas,
and until the train had made 200
miles progress, the tender little wife
was constantly at his side. The unfor-
tunate man was removed to the bag-
gage car and, utterly worn out, Mrs.
Mitchell made her way to a chair car
to get a much-needed rest.

Her absence, however, happened to
be while her husband was wrestling
with the grim reaper.

At Stuttgart, Ark., Mrs. Mitchell
awoke to become suddenly ill. She
was removed to the baggage car on
a cot and placed alongside the dead
body of her husband. A baby boy
came into the world just a few min-
utes later.

Lion Attacks Baby in Cleveland Theater.

Cleveland, Ohio, May 13.—A train-
ed lion that was being exhibited on
an open stage here to-night suddenly
became again the blood-thirsty beast
of the jungle, and snatched a babe
from the arms of its mother, carried
it to the back of the stage, dashed it

to the floor and planted both his
fore paws on the little one's body.
Licking the blood from the wounds
on the babe's head and face, the
beast raised himself to pounce upon
his prey when the frantic crowd, grasp-
ing all manner of weapons, attacked
the lion and attracted his attention.
A man snatched the babe from the
stage. The victim is terribly lacer-
ated and may die.

The keeper finally succeeded in get-
ting the lion back into his cage.
